Sir:

REQUEST FOR CERTIFICATE OF CORRECTION

Pursuant to 35 U.S.C. § 254, and 37 C.F.R. §§ 1.322 and 1.323, this is a request for a Certificate of Correction in the above-identified patent. The mistake at the Title Page, Item (75), in the listing of Inventors, line 1; and the mistake in claim 1, col. 33, line 5; as identified in the appended PTO Form 1050, occurred through the fault of the Patent Office, as clearly disclosed by the records of the application which matured into this patent.

In the records of the application, the Updated Filing Receipt mailed on February 14, 2005, shows the correct address of inventor Grossman. And the Amendment and Response filed on November 7, 2005, shows the correct spelling of "polynucleotides" in the claim that issued as claim 1. Thus, it is clear from the records of the application that the mistakes identified above occurred through the fault of the Patent Office.
